Regular contributions or short notes should be sent to the Editor-in-Chief. Submit four copies of manuscripts typed double spaced. Comments on papers previously published in this journal should be sent to the Editor-in-Chief to be considered for the *Surveyors' Forum*. Correspondence about accepted papers should be addressed to the Executive Editor.

Subscription rates (annual): ACM members, \$7.00 (single copies \$3.00); nonmembers, \$30.00 (single copies \$8.00).

When payment is included with membership applications, renewal notices, or invoices, please use the address Association for Computing Machinery, P.O. Box 12105, Church Street Station, New York, NY 10249.

Notices of address changes and requests for membership applications and subscription information should be addressed to Association for Computing Machinery, 1133 Avenue of the Americas, New York, NY 10036. Allow 6 to 8 weeks for change of name and address or new membership to become effective. Send old label with new address notification. To avoid service interruption, notify your local Post Office before change of residence: for a fee, the Post Office will forward 2d and 3d class periodicals. The expiration date of each subscription appears on the top line of the mailing label. Note the four digit code used: yymm (the first two digits indicate the year and the last two the month of expiration).

Computing Surveys (ISSN #0010-4892) is published quarterly in March, June, September, and December at Mt. Royal & Guilford Aves., Baltimore, Md. 21202 by the Association for Computing Machinery, Inc. Copyright © 1979 by the Association for Computing Machinery, Inc. Copying without fee is permitted provided that the copies are not made or distributed for direct commercial advantage and credit to the source given. Abstracting with credit is permitted. For other copying of articles that carry a code at the bottom of the first page, copying is permitted provided that the per-copy fee indicated in the code is paid through the Copyright Clearance Center, P.O. Box 765, Schenectady, N.Y. 12301. For permission to republish write to: Director of Publications, Association for Computing Machinery. To copy otherwise, or republish, requires a fee and/or specific permission. **Postmaster:** Send Form 3579 to *Computing Surveys*, ACM, 1133 Avenue of the Americas, New York, NY 10036.

ASSOCIATION FOR COMPUTING MACHINERY

Founded in 1947 as the society of the computing community, the Association for Computing Machinery is dedicated to the development of information processing as a discipline, and to the responsible use of computers in an increasing diversity of applications.
